

Property in Spetses Island for Sale (via e-auction)

Spetses Town

- Property benefits from central location and proximity to beach
- 160 sq m in total (three maisonettes sold either together or separately)

- The property is located within the centre of Spetses town, a cosmopolitan yet traditional settlement that is renowned for its well-preserved captain mansions, picturesque streets and naval history. A forested interior and beautiful beaches around the island's coastline form an idyllic scenery that is easily accessible from the town centre
- In addition, the property is only 100 m from the coastal (main) road and Ag. Mamas beach and 370 m from the Port

- Property consists of three independent maisonettes of 52.84 sq m each, in building complex with a total of 8 maisonettes
- Completed in 2006
- In very good condition
- Property boasts sea views and inner communal garden

- Auction date: 16/06/2021
- Starting bid: € 477.945 (three maisonettes)
€ 159.315 (single maisonette)
